- Gourmet selections
- Exquisite presentations
- Amenities including contemporary linens and fine china
- Assistance with upgrading decor or themed events
- Gracious and attentive service
- Banquets, weddings, bar mitzvahs, reunions, holiday parties and more

Food & Beverage Rental Guidelines

As a service to our clients, Cobb Convention Center offers a rental reduction when hosting a catered food & beverage event in the ballroom. Rental reduction guidelines are based on the following formula: The amount of rental charged for the full ballroom, any subsection of the ballroom and meeting rooms will be reduced by 30 percent based on the food & beverage totals when food and beverage selections are ordered by the client and consumed in the respective space. All food & beverage totals are calculated prior to adding tax and gratuity. If the percentage of the catering food & beverage total does not equal or exceed the rental charge, the client will receive an invoice for the rental rate less the percentage reduction.

Boardroom

The Boardroom is exempt from receiving a rental reduction when used for a catered food and beverage event.

Exhibit Halls

Exhibit halls, when rented exclusively for catered food & beverage functions, are eligible to receive a rental reduction. Rental reduction guidelines for exhibit halls are calculated by

multiplying the rental rate by two (2) and following the same formula for ballrooms and meeting rooms.

Pre-Function Areas

When the pre-function area adjacent to the ballroom is used for pre- or post- event food and beverage receptions in the ballroom, the ballroom rental rate will be reduced by 30 percent of the catering food & beverage totals.

Set the Tone and the Table

Deliciously crafted meals created by our chef's well-orchestrated team - with just the right hint of Southern hospitality.
